

Dear Parent/Carer,

You have until **Monday 18th March** at 5pm to take part in a short survey, taking under 10 minutes to complete. You can complete the survey by clicking this

link: https://www.surveymonkey.co.uk/r/NEL_SENDparentcarer

North East Lincolnshire Council and our partners are starting a new programme of work to identify the best ways of working to support schools, parents/carers and other professionals to successfully meet the needs of children and young people with special educational needs.

We are keen to involve as many parents and carers as possible and are looking at holding some workshops to over the coming weeks. We have also created the short survey to try and get as many thoughts and ideas as possible from you.

All results will be anonymised, and we will look at sharing findings through newsletters and workshops as our work continues.

Thank you in advance for completing this survey. “
