To access their live lessons, students must log onto their Edulink One account ([www.edulinkone.com](http://www.edulinkone.com)) where they will find a Microsoft Teams link for each lesson in the 'Homework' section.

Students can also access work through the Blended Learning area of the website. Students may also be set assignments from their teachers.

It is recommended that students have access to a note book or lined paper to complete their work and take notes.

As well as lessons, students will be sent links to watch a weekly assembly, an invite to virtually meet with their Personal Tutor each week and links to encourage more reading.

Parent must encourage students to access the live lessons that teachers have spent time planning and preparing for as well as complete the Blended Learning from the website.

Please keep yourselves safe and well.
