Students will have this timetable every day, Monday to Friday, for the foreseeable future.

When students are not accessing live lessons, they should be completing their Blended Learning (BL) as directed through their Edulink One account. Students may also be set assignments to complete by their teachers.

As well as lessons, students will be sent links to watch a weekly assembly, an invite to virtually meet with their Personal Tutor each week and links to encourage more reading.

To access their live lessons and Blended Learning, students must log onto their Edulink One account (www.edulinkone.com) where they will find links for each lessons in the 'Homework' section.

Parents must encourage students to access the lessons that teachers have spent time planning and preparing for. If you are having issues with technology, please contact the Academy as soon as possible so we can provide support.

Please keep yourselves safe and well.

Yours
