8th February 2021

Dear parent/carer

End of half term letter and update

I hope you and your family are safe and well during this current national lockdown. This term has seen the introduction of remote learning for all students and I wish to thank my staff for stepping up to the mark and delivering quality remote education.

I also wish to thank parents and students who took part in recent surveys about their remote education. The strengths are as follows:

Parents Survey	Student Survey
Communication of remote learning	Access to live lessons
Issues dealt with promptly	Student behaviour in live lessons
Blended learning engagement	Feel safe in live lessons
Work packs	Overall support given
Safety on line	Clear communication
Good range of subjects	Students feel they have someone to turn to in the Academy if they need support
Support given to students	

Students have a mixture of live lessons and lessons set from Oak National Academy. All work is communicated through their Edulink One account.

From 11th January to the 5th February, your child has attended xx% of live lessons. If the percentage is not as high as it should be, this may be down to technical issues. If this is the case, please contact the Academy and a member of staff will be more than willing to assist you.

Half term

Monday 15th February to Friday 18th February inclusive is half term so the Academy is closed.

From Monday 22nd February remote education will continue. I will be in touch with a reopening date for students once it is confirmed by the Government.

In the meantime, I wish you and all your family the best of health.

Yours sincerely

Mrs C Robson
Principal
Ormiston Maritime Academy
