Dear Parent and Career's

Information on Teacher Assessed Grades

I am writing to inform you of how Year 11 students will be assessed from now until mid-June so evidence can be gathered for their teacher assessed grades.

Each subject area will be following a similar plan, where teaching will take place followed by a mini assessment using exam board questions, leading to a larger assessment towards the end of the term. These assessments will take place in the classroom and provision of exam access arrangements will be provided where required.

Your child will be informed on a weekly basis when each of their assessments will be and it is crucial that they attend, engage and behave everyday as the evidence gathered will be used to support the awarding of teacher assessed grades. This information will also be posted on the Academy website. To support students, after school intervention will take place and we encourage your child to attend.

Thank you in advance for your support with this as we want your child to achieve the grade they deserve. Please do not hesitate to contact me or Miss Cooling, Senior Vice Principal at the Academy if you have any queries.

A handwritten signature in black ink that reads 'C Robson'.

Mrs C Robson
Principal
