Dear Parent or Carer

Franklin Taster Day 2021

Ormiston Maritime Academy (OMA) would like to invite your child to participate in a Taster Day at Franklin College on Thursday 24th June 2021.

The event will provide the opportunity for enthusiastic students to spend a day exploring future course opportunities with Franklin College.

Benefits of the Taster Day are:

- Give students the opportunity to gain first hand knowledge of courses at Franklin College.
- Encourage independence through seeking out information about their interests.
- Meet and interact with tutors from all fields in Franklin College.
- Explore opportunities for future career pathways and attend motivational speeches.

The schedule for the day will be to leave OMA at 9:00am and walk to the venue for a 9:15am start. The Taster Day will finish at 11:30am and students will leave Franklin College and walk back to the Academy. Refreshments will be provided.

Please be reassured it is Franklin College's priority to ensure a Covid safe environment for both staff and students. For this reason, they are asking that students wear masks when moving around the site and where social distancing is not possible. They will provide masks for students where necessary and also request students sanitise their hands on entry to the college.

Places for this event are limited and have been allocated by looking at your child's progression throughout the year. However, if you feel that this is not something they would like to participate in then let me know so that the place can be re-allocated.

Yours sincerely

Miss Thornton
Careers Lead
