Dear Parent or Carer

Lincoln University Taster Day 2021

Ormiston Maritime Academy (OMA) would like to invite your child to participate in a Taster Day at Lincoln University on Monday 19th July 2021.

The event will provide the opportunity for enthusiastic students to spend a day exploring future course opportunities with Lincoln University.

Benefits of the Taster Day are:

- Give students the opportunity to gain first hand knowledge of courses at Lincoln University and others.
- Encourage independence through seeking out information about their interests.
- Meet and interact with tutors from all fields in Lincoln University.
- Explore opportunities for future career pathways and attend motivational speeches.

The schedule for the day will be to leave OMA at 9:00am and travel by coach. The Taster Day will finish at 1:30pm and students will leave Lincoln University and travel by coach back to the Academy. Refreshments will be provided.

Please be reassured it is Lincoln University's priority to ensure a Covid safe environment for both staff and students. For this reason, they are asking that students wear masks when moving around the site and where social distancing is not possible. They will provide masks for students where necessary and also request students sanitise their hands on entry to the campus.

Places for this event are limited and have been allocated by looking at your child's progression throughout the year. However, if you feel that this is not something they would like to participate in then let me know so that the place can be re-allocated.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Miss Thornton'.
