31st March 2022

Dear Parent or carer

We have a large number of staff absent due to illness and there are not any supply agencies able to provide staff to help cover lessons. Therefore it is with regret that I have asked the majority of Year 8 students to study from home today, 31st March and tomorrow, 1st April. This decision has not been taken lightly and I want to reassure you all that myself and my senior team tried to find solutions to avoid this decision.

Please always refer to our academy website for updates and a helpful guide on how to access Oak National lessons via our Blended Learning spreadsheet and how students can access Sam Learning. Students have also been set work through their Edulink One account.

If you are struggling for childcare, or if your child cannot access their learning electronically, please contact the academy so we can provide the necessary support.

I wish to thank all parents for how supportive you have been and wish you all a lovely Easter break when it arrives.

Yours faithfully

A handwritten signature in black ink that reads 'C Robson'.
