Dear Parent/Carer

Year 6 Transition to Ormiston Maritime Academy

My name is Carrienne Robson and I am the Principal at Ormiston Maritime Academy. I have been Principal since September 2019 and I have been overwhelmed by the welcome the students, staff and parents have given me. It is a fantastic place for teachers to teach and students to learn.

I am delighted that your child has been offered a place at Ormiston Maritime Academy for September 2022. This means they will be joining Ormiston Maritime Academy on a fast journey of improvement. This has been confirmed in a recent Ofsted inspection, which said "Leaders and those responsible for governance are taking effective action in order for the school to become a good school" (July 2021). It gives me great pleasure to share how happy and safe the students feel here at Ormiston Maritime Academy and many parents agree with me that Ormiston Maritime Academy is a place for learning.

What will Transition look like for your child?

To enable your child to have a successful transition to Ormiston Maritime Academy the following transition activities will take place:

- Year 6 days on the 7th and 8th July where Year 6 students will be invited to attend the Academy for two full days and experience a range of activities
- Meet the Personal Tutor evening on 6th July where your child will be introduced to their personal tutor for next year
- Summer School – we hope to be able to hold a Summer School this year. Once confirmed these details will be shared with you.

If you have a child who has a particular need and would benefit from extra transition this will also be factored into a transition programme.

Academy Uniform

I have included information about the Academy Uniform along with a uniform voucher which is to be used at Uniform Hut entitling your child to a free blazer and PE top. Ormiston Maritime Academy will also give your child a free Academy clip on tie, issued on their first school day in September.

Calendar 2022-23

Included in this pack is the Academy Calendar of term dates for the 2022-23 academic year. All students begin on Monday 5th September 2022 and will take part in an extended tutor time to help settle into their routines.

Student Privacy Notice

Please find included an OAT Privacy Notice for Students which explains how their data is stored and shared.
