

February 2021

Dear Parent/Carer

Year 9 Pupils - Meningococcal ACWY / Diphtheria, Tetanus and Polio Immunisation

It is vital that your child still receives this vaccination as part of the usual childhood vaccination schedule. Due to schools not being fully open, we are instead holding an immunisation clinic at:

**Ormiston Maritime Academy Gym on 26th February (9.30am – 2.30pm),
Please go straight to the gym and not to the school reception.**

You must book an appointment by clicking on the link below:

[Immunisation Booking Form](#)

Alternatively, you can email schoolnursingadvice@nelincs.gov.uk.

If you do not have access to the internet, call 01472 323660.

On the day please come directly to the School Gym, do not go via Reception. Pupils are not expected to wear uniform but they must wear a face mask (unless exempt). Once the immunisation has been administered you will be asked to leave the Academy site as quickly and safely as possible. We ask that you maintain social distancing at all times whilst on site. All the nurses will be wearing the appropriate personal protective equipment to ensure your safety.

If your child is attending school, still book an Eventbrite appointment and we will arrange for school to bring your child over to the clinic.

For more information about the immunisation please visit [3-in-1 teenage booster overview - NHS \(www.nhs.uk\)](#). If this date is not convenient please be aware that further dates will become available at other community venues.

REMINDER

Do not attend the session if you or your child are displaying symptoms of coronavirus or have been told to self-isolate. Please contact the service to rearrange the appointment.

Yours sincerely

School Nursing Team

Molson Centre, Kent Street
